In the historic center of Chieri, more precisely in the renowned via Vittorio Emanuele II, we offer a large apartment on the second and top floor of one of the most iconic and beautiful buildings in the Chierese town.

The entrance inside the property takes place through the common atrium which leads into the hallway that leads to the various rooms. We find a large living room / kitchen of about 40 square meters, three bedrooms and a bathroom.

The property includes a large cellar.

The property is of particular interest as it has been renovated by combining new and precious materials with the restored and original ones of the house, which make the apartment unique. Ideal for those who want to live in comfortable and large spaces but at the same time don't want to give up the idea of fully experiencing the historic center of the Chierese town.
