Ref. 115953

1.400 sq.m

On Via Pinchia and Corso Orbassano, in the residential neighborhood of Mirafiori Nord, we offer for sale a large shared garage, available immediately, located in the basement of a building constructed in 1968.
The property is spread over a single level with a surface area of approximately 1,400 m2, with an internal height of 4.10 metres, and is accessible via two convenient vehicle ramps directly from the street, which also allow easy access for vans and commercial vehicles.
The garage consists of a large open-plan room, as well as an office area with toilets.
Thanks to its size and cadastral category D/8, it is suitable for multiple uses: vehicle parking, storage, warehouse or activities related to logistics and services.
The location is particularly strategic, in an area well served by shops, supermarkets, sports facilities, and public transport, with quick connections to the city center and main roads.
An ideal solution for businesses, investors, or industry professionals needing large spaces in one of Turin's most sought-after areas.
Available immediately.
