Precollina □ Cavoretto, Terrace Road.

In the prestigious "Le Terrazze" residential complex, we offer for sale a spacious and bright 285 sq m apartment with a 45 sq m panoramic terrace, located in a quiet residential area surrounded by greenery, with a shared park, swimming pool, tennis court, and concierge service.

The apartment is in need of renovation and offers plenty of scope for customization, with spaces and features that allow for a contemporary living experience, enhancing the brightness, spaciousness, and connection to the panoramic terrace.

Located on the second floor of a building constructed in 1970, with an elevator, the property currently comprises two separate units, used as a single apartment. The interior layout includes two entrances, a quadruple living room with access to a 45 sq m panoramic terrace, three bedrooms, three bathrooms, all with windows, a laundry room, and a large eat-in kitchen.

The current configuration also allows for easy division into two units of 97 m² and 188 m², thus maintaining various possibilities for using and designing the spaces.

The property includes two large covered parking spaces in the garage, three uncovered parking spaces, and a cellar. Central heating is provided.
